

Patient Request For Copy Of QML Pathology Results

Information for Patients

- 1) This request may take up to fourteen (14) working days to process. In addition, longer delays may be expected for complicated testing still in progress at the time of request.
- 2) Patients must collect their results in person from QML Pathology at a Laboratory or Collection Centre and supply photographic ID including example of signature (eg. drivers licence or passport) or two other forms of identification, including one with example of signature (eg. birth certificate/marriage certificate/medicare card/pension card/credit cards).
- 3) A Twenty Dollar (\$20) administration fee applies to all copies of results.
