

QML Pathology and Gentu

Selecting QML Pathology as your preferred pathology provider in Gentu

With Gentu you can easily create, record and print your pathology requests. Inbuilt workflows allow you to track outstanding requests and results for each and every patient. Choosing QML Pathology as your preferred pathology provider in Gentu is easy.

QML Pathology - Your Pathology Partner In Gentu

Since the 1920s, our experienced Pathologists have analysed many millions of specimens for patients and their doctors throughout Queensland and northern New South Wales. Our exceptionally qualified Pathologists form your dedicated team of experts covering the entire range of pathological testing. Their commitment ensures timely and accurate results, 24 hours a day, 7 days a week.

With QML Pathology you have direct access to:

- One-on-one communication and specialist advice from each of our pathologists
- Quality Doctor Education including online and in-person CME events
- RACGP & ACRRM approved audits
- Genomic Diagnostics - our nationally co-ordinated, market-leading genetic testing service
- Gastrolab - our dedicated gastrointestinal pathology service

Choose QML Pathology

Please tell us your name, practice address, provider number and Gentu Unique Identifier. We will send you your QML doctor code and confirm your results are ready for automatic download into Gentu.

Your Name: *

Your Practice Address:

Your Provider Number:

Your Gentu Unique Identifier:

Set Up Gentu for QML Pathology

To start creating pathology requests and set QML Pathology as your pathology provider in Gentu:

Navigate to **Settings > Pathology Request Labs** and click Create New.

- 1:** Enter QML Pathology in the Lab Name field.
- 2:** Enter (07) 3121 4555 in the Contact Number field.
- 3:** Enter your provided QML doctor code in the Doctor Code field and click **Save**.

Start referring to QML Pathology in Gentu

Simply open the patient's Gentu record and click **Add > Request** from the menu.

- 1:** Select QML Pathology from the Lab* drop down menu.
- 2:** Enter the details of your request. If the QML request forms you use include labels, ensure the 'Print Labels' checkbox is ticked.
- 3:** Save and print the request by clicking **Print**.

Only if completing this form in hard copy, please scan and email to: myServiceDesk.QML@primaryhealthcare.com.au. Otherwise simply click "Submit" once complete. We will then be in touch to guide you through these steps.

If you would like to discuss our services further before signing up, please contact QML Pathology during business hours on (07) 3121 4444 and ask to speak to the Business Development Manager.
